We hereby declare that the product described below, in its design and construction as well as in the version that we have placed on the market, is in conformity with the relevant statutory requirements applicable to the specific product. The annexes, which are an integral part of this declaration of conformity, contain further information about the conformity to these regulations.

Type:

8139

Product Description:

Radar sensor

Equipment and Protective Systems Intended for use in Potentially Explosive Atmospheres Regulations SI 2016/1107

Electromagnetic Compatibility Regulations SI 2016/1091

Electrical Equipment (Safety) Regulations SI 2016/1101

Radio Equipment Regulations SI 2017/1206

The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations SI 2012/3032

If any unauthorized modifications are made to the product, this declaration will lose its validity.

A complete technical documentation is available. The operating manual in the local language of the user is present (if necessary).

This declaration does not guarantee any specifications.
